

# Crossville Greenway

## TCAT Trail

The trails depicted in this map are concepts developed by the Friends of the Trails. They have no official standing.

The TCAT Trail is a half-mile loop located in the woods behind the TCAT College. **Parking is a problem.** Hikers should not park in the Student parking lot. There is no parking at the trail-heads. We recommend parking in the Garrison Park parking lot and walking over to the trail.

**Friends of the Trails**

a 501(c)3 not-for-profit organization
